

First Day of School

Interview Questions:

Who was the first person you saw at school? Who was the last? Who was the person you most wanted to see?
What is the best/worst part of the new year? Tell me about what major adjustment you had to make? What is your favorite class?
When did you finally settle into a doable routine? When do you get ready for the next day of school?
Where do you go first thing in the morning? Where do you go last before leaving school? Where do you eat lunch?
Why do/don't you like this year better? Describe your schedule.
How did your schedule work out? How much do you estimate you spent on getting ready to return to school?
