

Notes:

## Prom

### Interview Questions:

With whom did you go to prom? Who assisted you with your prom preparation? With whom did you hang out at prom? Who did most of your prom planning? Who assumed responsibility for the planning, execution and cleaning up of the prom?

What was the prom theme? Describe your first impression of the site and the decorations. Tell me about the music that was played at prom. What was your favorite part of the prom experience? What do you think is the coolest prom tradition?

When did you begin prom planning? When did you ask/accept your date for prom? Plot a time line of your prom day from start to finish.

Tell me where you went both before and after prom. Describe where prom was hosted. Where did you get your prom attire? Where did you get your flowers for the evening?

Why do you feel prom is a rite of high school passage? Why do you feel prom is not a big deal?

How many proms have you attended? How were you asked or how did you accept the invitation to go to prom?

How much did you pay for prom tickets? How much did you spend on your attire? How much did you spend on extras like flowers, limousine, dinner, etc.? How much did you spend total on your prom experience? How much total was spent in the planning and production of prom? How do you think your prom differs from other schools?

### Poll/Survey Question:

Why did you primarily go to prom?

- To dance                       To be with friends  
 I didn't go                       Other (list:)

### Photo Possibilities:

Prom planning committee meetings (on site at possible venues)

Decorating for the prom and other preparations

Pre-prom family and dinner photographs

Prom photos ranging from dancing to socializing to crowning of king and queen

Post prom activities

### Module Ideas:

Dominant montage of prom photographs

Photos with questions and answers of pre-prom activities

Post prom photos with quotes

Time line of prom day from start to finish with photos and quotes (girls versus guys)

Infograph of poll and survey results with a chart of costs of prom
