

Notes:

Senior Post Graduation Plans

Interview Questions:

Who assisted with your decision for the direction you plan to take after graduating? Who shares your vision for the future? With whom do you plan to room/live next year? Who influenced your decision most: mom or dad?

What is your first year plan for after graduation? What do you want to be when you grow up? Tell me about your final decision-making process.

When did you make your final decision regarding your near future? When do you leave home?

Describe where you hope to be in five years.

How did you decide what you wanted to do post graduation? How does this track to your childhood dreams of what you wanted to be when you grew up?

Why do you feel this is the best direction for your life?

Poll/Survey Question:

Upon graduation, what direction do you plan to take your career?

Higher education (list institution):

Career (list):

Military (branch):

Other (list):

Photo Possibilities:
