Spirit Week

Interview Questions:

- Who plans, organizes and announces the scheduled dress-up days? Describe who you personally thought had the best costume of the week. Who did you think gave it their best shot on all days?
- In what spirit days did you participate? For what day did you go all out? What other activities besides dress-up days took place? What could have been done to increase participation in spirit days? What dress-up days would you suggest for next year?
- When during the week did you think there was the most and least participation in the spirit days?
- Where did you get your costume(s)? Where did you wear your costume besides school and what reactions did you get?
- Why did you or did you not participate in spirit week dress-up days?
- How do you feel the dress-up days promote spirit for the football game? How did you decide which days in which you participate, if any, and how you would dress? How long did it take for you to get your costumes ready?
