

Winter Recreation

Interview Questions:

- With whom do you participate in winter sports? Do you play with a non-school affiliated club or on a league team? Who coaches your team? Which family members participate with you in winter recreation activities? Do you engage competitively?
- In what winter recreation activities do you participate? Tell me about the best/worst part of the activity. What winter wear and equipment must you have for this activity?
- When was the first time attempted the activity?
- Where at home do you attempt to participate in the activity? Where else do you participate in the activity?
Where do you store any equipment you need for the activity?
- How long have you been involved in this recreation? Describe how you fight the cold to be an effective player. If you don't share what your family enjoys in winter recreation sports, how do you spend your time while they are playing? How much time and financial investment do you make in the recreational events during a winter season?
- Tell me the anticipation that builds for the weather conditions to be right for you to engage in your winter recreation. Why do you share this passion for the recreation with family and friends?
