Winter Weather

Interview Questions:

Who do you watch on television to get your weather report? Who drives when the weather is bad?
What is your favorite weather gear? What weather conditions do you most fear? What is the best part of school being cancelled to a winter weather storm? What winter chores do you have to do because of the weather? Tell me about your favorite winter food.
When is the coldest time of the year in your opinion? When do you bring out your winter wardrobe?
Where is the warmest place in your home? Tell me the worst place you have been stranded during inclement winter weather?
Tell me why you like winter better than other seasons? Why do you dread winter?
How do you cope with cold nights? How long is the longest bad winter weather stretch have you suffered? How does winter weather inhibit your regular activities? Describe for me any accident you have experienced from bad weather.

Poll/Survey Question:

Which month of winter do you most dread?
December
January
February

Photo Possibilities:

Shopping for winter coats
Taking off boots outside or in garage
De-icing car windows
Watching weather alerts on television
Hanging out at home on a school-cancelled day

Module Ideas:

News feature story
Calendar infographic for poll question results
Photo collection of cold weather activities
Listing of favorite winter activities
Photos/quotes about school cancellations
